SUMMARY

Colorist with 7+ years and 60+ projects across feature, documentary and commercial work, for clients including National Geographic, Prada and Le Vian. Grades in DaVinci Resolve across Rec.709, Log and HDR, and takes projects from conform through QC and DCP delivery. Works directly with directors and clients to turn creative notes into a finished look, backed by an on-set DIT background in camera formats, codecs and color spaces.

EXPERIENCE

Colorist / Editor · Freelance — Jan 2020 – Present

- Graded 60+ projects across film, documentary, fashion and commercial work, from camera originals through conform, QC and delivery.
- Ran in-person and remote sessions directly with directors and clients, including a remote grade for an NYU thesis film.
- Built DCPs for festival and cinema screenings, and delivered broadcast, social and web masters to spec.

Camera Operator / Assistant & DIT · Freelance — Jul 2021 – Present

- Operated ARRI, Sony, Canon and Blackmagic cameras on commercial and narrative shoots; pulled focus and supported lighting.
- Handled on-set offload, file verification, metadata prep and QC for a clean handoff to post.
- On *Anastasia*, traced BMPCC 6K banding to a firmware fault mid-shoot, updated it over lunch, and cleaned the residual noise in the grade.

Video Editor & Colorist · Black Box Productions — Mar 2024 – Sep 2024

- Edited and graded long-form YouTube and commercial content from raw footage to final delivery across concurrent projects.

Camera Operator / Editor / Colorist · Hangzhou Lintas Advertising — Oct 2018 – May 2019

- Shot, edited and graded promotional content for local brands, working directly with clients on look development.

SKILLS

GRADING	DaVinci Resolve (primary), Premiere Pro; look development, shot matching, skin retouching and relighting
